PROFESSIONAL SUMMARY

AIML student focused on building real-world AI and data-driven applications. Experienced in developing and deploying machine learning systems, including recommendation engines and predictive models, using Python and modern ML frameworks. Strong in feature engineering, model evaluation, and integrating ML into web applications using Flask. Interested in solving practical problems through data analytics, machine learning, and scalable AI systems.

SKILLS

- **Programming Languages:** Python (Data Analysis & ML, DSA), Java (OOP), C
- **Web Development:** HTML5, CSS3 (Responsive UI Design)
- **Databases:** MySQL (CRUD Operations, Basic Query Optimization), MongoDB
- **Libraries:** pandas, numpy, keras
- **Developer Tools:** Vs Code, Anaconda, Git, kaggle
- **ML:** scikit-learn, TensorFlow, Feature Engineering, Model Evaluation

EDUCATION

Bachelor of Engineering (Computer Science Spec.(AIML))

Parul University

June 2023 – Present

CGPA 7.66/10

Class 12th - State Board

SR JUNIOR COLLEGE

June 2023

Percentage – 91.7%

Class 10th – State Board

St. Gaberials High School

May 2021

CGPA 10/10

PROJECTS

RecME | Film Recommendation System

January 2026 – Present

- Developed an AI-powered movie recommender using **Flask and TMDB API**
- Implemented **content-based and collaborative filtering** for personalized suggestions. Integrated real-time movie data (posters, ratings) with responsive UI.
- **Live Demo:** <https://rec-me.vercel.app/>

JustiDesk | AI Legal Assistance Platform

December 2025 – Present

- Built an NLP-based system to **analyze and classify user legal queries** into relevant categories.
- Uses NLP to analyze queries in simple language and classify them into legal categories. It provides basic legal information, rights, and references, and enables users to find lawyers and book appointments easily.

CERTIFICATIONS

- AWS CloudVerse certificate by AWS Cloud Club collaboration with the AWS User Group Vadodara
- DSA using python certification by Udemy.
- Computer Networks and Internet Protocol by NPTEL

ACHIEVEMENTS

- Won **People Choice Award 2026** in **Tech Expo** (Parul University)
